

KELSO CRAWLERS 10k

INSTRUCTIONS FOR COMPETITORS

RUNNING NUMBER: You will be issued with your race number at registration. Registration will take place at Kelso Rugby Club, Poynder Place Kelso, TD5 7EH, from 9.30 am. Registration can get very busy and you are requested to give yourself sufficient time to collect your number prior to the race start.

Please note that competitors not wearing numbers will not be allowed to start and all numbers must be clearly displayed at the finish. Failure to do so will result in your time and race position not being recorded and you will be excluded from the official results.

CHANGING/BAGGAGE: Male and female changing will be available at Kelso Rugby Club. Bags may be left in the rugby club at the owner's risk.

PARKING: There is parking space available at Kelso High School which is situated behind the rugby club. No parking is available within the grounds of Kelso Rugby Club or on Poynder Place which is the access road to the rugby club - access is required for emergency vehicles at all times. Please park considerately and note that parking is entirely at the owners' risk.

TOILETS: Toilet facilities are available in the rugby club.

START: There will be a briefing for all runners at 10.45am in Kelso Rugby Club. After the briefing the runners will be taken to the start which is approximately 5 minutes walk from Registration. There will be marshals available to point you in the direction of the start from the Rugby club.

ROUTE: The first 200m is run on grass, starting at the Cobby, an area on the banks of the river Tweed. On leaving the Cobby there is a short uphill section followed by a 1km section which is a gentle uphill to the entrance to the Floors estate. The next 4 km is flat apart from a short downhill section at the 4km marker. The final uphill section at 6km is followed immediately by a downhill section on rough track. The last 3km of the course is either flat or downhill and should result in a fast finish back on the grass on the Cobby.

Some 9km of the course is run in the grounds of the Floors estate. The course is best described as a mixture of road and trail. Some sections are uneven and there may be some loose stones or broken patches in places. After heavy rain the ground may be soft in places.
